

## **Dual eligible beneficiaries: Managing their care to overcome conflicting Medicare and Medicaid incentives**

**ISSUE:** The conflicting incentives of Medicare and Medicaid often work at cross purposes, undermining quality of care and cost control.

**KEY POINTS:** Staff will present information on the variation in spending on dual eligible beneficiaries that inform considerations about approaches to better their care.

**ACTION:** Commissioners should provide comments about possible directions for future work.

**STAFF CONTACT:** Carol Carter (202-220-3724)
