

## **Recent growth in hospital observation care**

**ISSUE:** Medicare outpatient observation care grew rapidly across the nation from 2006 to 2008.

**KEY POINTS:** Staff will present information on the extent of observation care growth, its potential causes, and the consequences for Medicare beneficiaries.

**ACTION:** Commissioners should provide comments on approaches to address the beneficiary and programmatic consequences of observation care growth.

**STAFF CONTACT:** Zach Gaumer (202-220-3702) or Dan Zabinski (202-220-3722)
