Commissioners' voting on recommendations

In the Medicare, Medicaid and SCHIP Benefits Improvement and Protection Act of 2000, the Congress required MedPAC to call for individual Commissioner votes on each recommendation and to document the voting record in its report. The information below satisfies that mandate.

Chapter 1: Context for Medicare payment policy

No recommendations

Chapter 2: Assessing payment adequacy and updating payments in fee-for-service Medicare

No recommendations

Chapter 3: Hospital inpatient and outpatient services

3-1 The Congress should increase payment rates for the inpatient and outpatient prospective payment systems in 2013 by 1.0 percent. For inpatient services, the Congress should also require the Secretary of Health and Human Services beginning in 2013 to use the difference between the increase under current law and the Commission's recommended update to gradually recover past overpayments due to documentation and coding changes.

Yes: Armstrong, Baicker, Behroozi, Berenson, Borman, Butler; Castellanos, Chernew, Dean, Gradison, Hackbarth, Hall, Kuhn, Naylor, Stuart, Uccello

No: Miller

3-2 The Congress should direct the Secretary of Health and Human Services to reduce payment rates for evaluation and management office visits provided in hospital outpatient departments so that total payment rates for these visits are the same whether the service is provided in an outpatient department or a physician office. These changes should be phased in over three years. During the phase-in, payment reductions to hospitals with a disproportionate share patient percentage at or above the median should be limited to 2 percent of overall Medicare payments.

Yes: Armstrong, Baicker, Berenson, Borman, Butler, Castellanos, Chernew, Dean, Gradison, Hackbarth, Hall, Naylor, Stuart, Uccello

No: Kuhn, Miller

Not voting: Behroozi

3-3 The Secretary of Health and Human Services should conduct a study by January 2015 to examine whether access to ambulatory physician and other health professionals' services for low-income patients would be impaired by setting outpatient evaluation and management payment rates equal to those paid in physician offices. If access will be impaired, the Secretary should recommend actions to protect access.

Yes: Armstrong, Baicker, Behroozi, Berenson, Borman, Butler, Castellanos, Chernew, Dean, Gradison, Hackbarth, Hall, Kuhn, Miller, Naylor, Stuart, Uccello

Chapter 7: Skilled nursing facility services

7-1 The Congress should eliminate the market basket update and direct the Secretary to revise the prospective payment system for skilled nursing facilities for 2013.
