

## **Variation in private-sector payment rates**

**ISSUE:** We compare the results of our analysis of geographic variation in private sector prices to the variation in Medicare Advantage (MA) bid levels to examine whether MA bid levels are influenced by private-sector prices.

**KEY POINTS:** Staff will present a preliminary analysis and findings.

**ACTION:** Commissioners should provide feedback on this research and its future direction.

**STAFF CONTACT:** Carlos Zarabozo, and Julie Lee (202) 220-3700.
