

Care coordination programs for dual-eligible beneficiaries

ISSUE: Dual-eligible beneficiaries are eligible for both Medicare and Medicaid benefits and receive services through two separate systems.

KEY POINTS: In this presentation we discuss our findings on quality of care and Medicare spending for fully integrated dual-eligible special needs plans (FIDE-SNPs), dual-eligible special needs plans (D-SNPs), and the Program of All-Inclusive Care for the Elderly (PACE).

ACTION: Commissioners will discuss the findings and the options for the next phase of work.
